

The background is a satellite-style image of the Earth, showing the continents of Europe and Asia. Overlaid on the image are numerous glowing blue lines that represent energy transmission paths. These lines are curved and interconnected, creating a complex network across the globe. The lines are brightest where they intersect and fade as they curve away.

## *WB6 Immediate Measures - Quick wins for implementation*

Janez Kopac

## **Immediate actions:**

- **Adoption of decision on Market Model (in June Package) (Council of Ministers)**

# Conclusions

1

- Critical measures contain 'musts' before PARIS and quick wins

2

- Immediate signs of commitment are needed for all WB6

3

- Secretariat will cover late developments for PARIS reporting

4

- Measures identified are feasible to be implemented in June

The background is a satellite-style image of the Earth, showing the continents of Europe and Africa. Overlaid on this are numerous glowing blue lines that represent energy transmission or data networks, connecting various points across the globe.
