# HOW TO CHOOSE BEST SOLUTION FOR INDIVIDUAL TRANSPORT

Rajko Dolinšek, Informa Echo, Slovenia

# KEY ELEMENT OF THE SPENDLESS ENERGY PLATFORM IS WEB APP www.porabimanj.si

## BENEFIT THAT WE BRING FORWARD

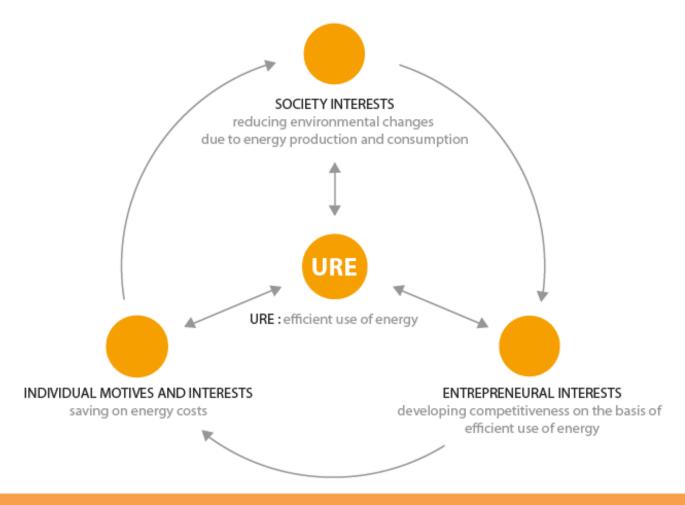

Informing energy consumers about potential savings and most efficient solutions.

# HOW DOES SPENDLESS ENERGY PLATFORM ACCOMPLISH IT\*S MISSION

- 1. Providing to energy consumers independent professional calculations of potential savings achieved by sustainable, efficient measurements and solutions.
- 2. Achieving business goals for providers of energy, services and equipment (advisory / selling tool, CRM, market research).
- 3. Promoting energy efficient behavior.

## A MODEL OF SYNERGISTIC INTEGRATION

This model is based on the integration of motives and interests of individuals, companies and society (author: Olivera Baćović Dolinšek, Informa Echo)
