

AGENDA

18TH ENERGY COMMUNITY
OIL FORUM
06-07 OCT. BELGRADE

18th Oil Forum: Advancing Security of Supply in a 2026 Risk Environment

Venue: Metropol Palace Hotel, Belgrade, Serbia

Time: 19:00 – 21:00 on Tuesday, 06 October

Time: 09:30 – 16:45 on Wednesday, 07 October

TUESDAY, 6 OCTOBER 2026

Welcome Evening

Hour: 19:00 – 21:00 | Room: Nikola Tesla AB

- 19:00–19:30 | Opening
Setting the Scene – Oil Security in Transition: Understanding the Markets We Still Depend On – Energy Community Secretariat
- 19:30–21:00 | Welcome Reception & Networking

WEDNESDAY, 7 OCTOBER 2026 – MAIN CONFERENCE DAY

Hour: 09:30 – 10:00 | REGISTRATION

1. Opening

Hour: 10:00 – 10:20 | Chair: Antony Lagrange | European Commission, DG ENER

- Opening - Antony Lagrange, European Commission, DG ENER – Chair of the Forum
- Host Country Welcome – Ministry of Mining and Energy of the Republic of Serbia
- Welcome – Energy Community Secretariat

2. Oil Markets, Supply Disruptions

Hour: 10:20 – 11:20

The session moves from the global oil-market outlook to changing regional market dynamics and a concrete 2026 supply-disruption case, highlighting implications for supply security and resilience.

Global Oil Market Outlook 2026–2030: Risks, Disruptions and New Trade Patterns

Ian Moore, Markets Director, Oil Market Journal

Changing Regional Oil Markets: An Industry Perspective

Vuk Radović, Head of Supply and Trade Development of International Division, HELLENiQ Energy

AGENDA

18TH ENERGY COMMUNITY
OIL FORUM
06-07 OCT. BELGRADE

Montenegro's 2026 Oil Market Experience: Response and Lessons Learned

Zorana Sekulić, Acting Director General,
Directorate for Oil and Gas, Ministry of
Energy and Mining, Montenegro

3. Networking Coffee

Hour: 11:20 – 11:40

4. Panel Discussion – Infrastructure Resilience & Preparedness

Hour: 11:40 – 12:15

The session will examine how critical energy infrastructure can remain operational under severe stress, drawing on recent Ukrainian experience and Baltic preparedness for technical and hybrid risks.

Fuel Supply Under Attack: Lessons in Resilience from Ukraine

UkrNafta – Speaker TBC

Beyond the Russian Grid: From Baltic Desynchronisation to Critical
Energy Infrastructure Resilience

Hannes Kont, Head of Crisis
Preparedness, Elering AS

5. Panel Discussion – From Market Disruption to Supply Resilience

Hour: 12:15 – 13:00 | Chair: Antony Lagrange | European Commission, DG ENER

Panelists: Ian Moore | Vuk Radović | Zorana Sekulić | Hannes Kont | Ukrainian representative

6. Networking Lunch

Hour: 13:00 – 14:00

7. Advancing Oil Security of Supply across the Energy Community

Hour: 14:00 – 14:30 | From Implementation to Preparedness

Regional oil-security implementation progress, operational preparedness and priorities for 2027 –
Energy Community Secretariat

8. Preparedness, Emergency Stocks & Implementation

Hour: 14:30 – 15:30

The session will examine the evolution of European oil-security policy, the role of emergency stocks and collective action, and practical lessons from past supply disruptions.

European Oil-Security Policy Update

Antony Lagrange, European
Commission, DG ENER

Emergency Stocks and Collective Action amid Unprecedented Supply
Disruptions

Iakob Nikoleishvili, International Energy
Agency

AGENDA

18TH ENERGY COMMUNITY
OIL FORUM
06-07 OCT. BELGRADE

Polish Oil Stocks System – Lessons from the History, Lessons for the Future

Wojciech Labuda, Director for Regulation, Polish Organisation of Oil Industry and Trade

Slovakia's Oil Security in 2026: Crisis Response and the Future of the Oil Stocks Directive

Jakub Kristín, Operations Manager, Emergency Oil Stocks Agency (EOSA), Slovakia

9. Networking Coffee

Hour: 15:30 – 15:45

10. Panel Discussion – From Policy to Practice: Are Our Oil Security Systems Ready?

Hour: 15:45 – 16:30 | Chair: Priit Enok | Energy Community Secretariat

Panelists: Antony Lagrange | Iakob Nikoleishvili | Wojciech Labuda | Jakub Kristín

11. Conclusions

Hour: 16:30 – 16:45
