Latest Policy Developments in the EU
The EED Review and Revision
The Renovation Wave
The European Green Deal and related initiatives

• The Communication on the European Green Deal was published in December 2019

• The European Green Deal provides a roadmap with actions to boost decarbonisation efforts including the efficient use of resources

• Commitment to “review and propose to revise, where necessary, the relevant energy legislation by June 2021”,

• To set into legislation the political ambition of being the world's first climate neutral continent by 2050, the Commission proposed the ‘European Climate Law‘

• The Climate Target Plan - published on 17 September 2020 - puts forward an emissions reduction target of at least 55%

• To achieve the 55% target, there is a need to significantly step up energy efficiency efforts
The EED Review and Revision
EED Review and Revision

• The review and possible revision were announced in the European Green Deal – June 2021
• The revision has been confirmed in the recent Communication on the Climate Target Plan
• EED Review process was launched on 3 August 2020
• Expert workshops in the context of the review and revision of the EED – from September to November 2020
• Open Public Consultation to be published in November 2020
The Renovation Wave
Objectives

Double the renovation rate by 2030

Create

12-18 local jobs per million euro invested

160,000 green jobs in construction

Reduce

-60% greenhouse gas emissions

-14% energy consumption

-18% heating and cooling

Renovation of 35 million buildings
7 lead actions

- Information, legal certainty and regulation
- Accessible and well-targeted funding
- Project and technical assistance
- Integrated interventions for smart buildings
- Construction sector for the sustainable future
- Addressing energy poverty and healthy housing
- Decarbonisation of heating and cooling
EU budget for the Renovation Wave

- Recovery and Resilient Facility
- Cohesion Policy Funds (ERDF, ESF, EU-REACT)
- Just Transition Mechanism - JTF

To leverage private investments
- InvestEU
- Private Financing 4 Energy Efficiency
- European Energy Efficiency Fund

for Research & Innovation
Horizon Europe
- Built 4 people
- EGD Calls
- Smart Cities

To address Market Barriers
- LIFE – Clean Energy Transition
- LIFE – Circular Economy & Quality of Life

For Technical Assistance and Advisory
- ELENA Facility
- Technical Support Instrument
- Technical Support – Cohesion Policy
Thank you
