IMPLEMENTATION OF
THE ENERGY COMMUNITY TREATY

Directives on Security of Supply
and other Security of Supply related issues

17th March 2009, Vienna

12th PHLG Meeting
CONTENT

• Gas crisis – lessons learned

• Status of implementation of Directives 2004/67/EC and 2005/89/E

• Update of Security of Supply Statements
GAS CRISIS – LESSONS LEARNED

- Contracting Parties managed crisis very well – at given framework
- Link electricity – gas – oil and other alternative fuels
- Serious negative impact in the short and mid term
- Interconnectors missing: among CPs and to neighbouring countries
- Lack of storage capacity
- Regional projects – security of supply perspective/economic advantages
- Harmonisation of legislation and technical rules
