

Regional Exchange of Modelling Experts

Presentation of national modelling teams - Presentation Guide

Virtual event: 17-November-2021, 09:00-10:30 am CET

Aim of the exchange

Introducing the different modelling teams and their current status of work, before starting technical discussions on different topics under this series of exchanges

Format of this exchange

In a quick **8-minute presentation** we are asking each national team of modellers to give an introduction to their work relevant for NECP development

Guiding questions for national team pitch

1. What institution/organisation do you work for?
2. What is your organizations' role in NECP development?
3. Who is in your team and responsible for what?
4. What sectors do you have in-house expertise in?
5. What (modelling) tools do you leverage on?
6. What is the status of NECP development?
