Final National Energy and Climate Plans (NECPs)

an essential building block in the implementation of the European Green Deal
NECPs and the European Green Deal

NECPs are the foundation for delivering the European Green Deal.

- Full and timely **implementation** of the ‘Clean Energy for All Europeans’ legislation.
- NECPs are key to **deliver on the Energy Union objectives**, including 2030 energy and climate targets.
- NECPs ensure investment certainty, consistent application of EU legislation and thus **cost-effective targets achievement**.
- NECPs and related follow-up are crucial to enhance **political dialogue** between MS and EU institutions but also across MS.

State of play:

**So far:**
- **19** MS have submitted their final NECP;
- **11** MS have submitted their national LTS.
The European Green Deal

Transforming the EU’s economy for a sustainable future
