→ Incorporation by Ministerial Council decision based on **Titles II and III of the EnC Treaty**

→ Acts binding on Contracting Parties and EU Member States defined in **Article 27 of the EnC Treaty**

Public consultation – main outcomes

1. Incorporate **ACER Regulation** to strengthen legal basis for their decisions on energy stakeholders of both Contracting Parties and neighbouring EU MS;
2. Possibility for **ENTSO-E to make a proposal** on Capacity Calculation Regions, System Operation Regions and Regional Coordination Centres within transposition deadline; if no proposal, Annexes are applicable.
3. Discussion on **voting rights for the regional terms, conditions and methodologies**: two-third majority $><$ qualified majority for region with more than 3 CPs and/or EU MS. If no proposal, for ECRB – and ACER to the extent EU MS are affected
4. Amendments to last year Ministerial Council **Decision 2021/13/MC-EnC** to ensure consistency and transparency across the texts.
