Slides for Workshop 2018-11-28
Member Informal Taskforce (MIT-lab😊)

Background: TSOs want to improve the service of the Transparency Platform for the stakeholders

> Taskforce is set up as a sort of laboratory to discuss ideas for the TP
> Ideas based on:
  ▪ Feedback from the surveys
  ▪ Own feeling
  ▪ Existing data publication
> Presented here to
  ▪ Get a feeling if the ideas are good
  ▪ Get input for possibly more ideas
Enhance the export wizard

> Intuitive
  - Example: Change “Transport Data” to “Transport Data Indicators”
  - Dependencies between fields

> User friendly
  - Cut “odd” columns
  - More options

> More intelligence
  - Combining filters
Personalized View for registered users

> Define own default page
  - Choose several parameters
  - Predefined quicker queries
  - Faster usability of the TP

Access default page
Direct export – Points

> Directly download what you see
> Not more information than selected
**Direct export – Transport data**

- Directly download what you see
- Not more information than selected

Dashboard for aggregated IP data

- Quick overview for IPs
- Per Operator/Balancing zone
- Monthly aggregates
- Easier comparison
Thank You for Your Attention
