

# ODYSSEE-MURE

## **Vienna seminar of the Project “OdysseeMure fit-4-55, Monitoring the Energy Efficiency Pillar for Climate Neutrality” 25-26th November 2024, Vienna, Austria**

**25th November 2024**

*Meeting place: Am Hof 4, 1010 Vienna (6th floor, conference room 603)*

9.00 - 9.15	Registration of EnC
9.15 - 09.45	Welcome address by Energy Community Secretariat and ADEME
<b>Session 0: Energy Efficiency Coordination Group Meeting (incl. internal topics) for EnC</b>	
09:45 -10:15	Updates on energy efficiency policy developments in EU (European Commission, DG ENER)
10:15 -11:00	Stocktaking on the activities of EECG, WP implementation and future priorities (Energy Community Secretariat) Q/A, Discussion
11:00 -11:45	Reporting (updates since last EECG meeting) on implementation of energy efficiency policies and NECPs/measures (EECG members from Contracting Parties)
11:45 -12:00	Conclusions (Energy Community Secretariat)
<b>12.00 - 13.15</b>	<b>Lunch</b>
13.15 – 13:30	Registration of EU Member State participants in the location
<b>Session 1: Combined ODYSSEE-MURE and Energy Efficiency Coordination Group Meeting Chair. Didier Bosseboeuf, ADEME</b>	
13.30 – 14.00	Introduction EnC Secretariat + EU Commission / CINEA (Nathalie Cliquot) + ODYSSEE-MURE coordinator (Didier Bosseboeuf, Ademe)
14.00 – 14.30	Overview ODYSSEE: cross-country comparison of indicators of EnC and EU Member States (macro-indicators) (Enerdata)
14.30 – 15.00	Overview MURE: Cross-country comparison of energy efficiency policies of EnC and EU Member States (Lena Kappler & Wolfgang Eichhammer, Fraunhofer ISI)
<b>15.00 – 15.15</b>	<b>Coffee Break</b>
15.15 – 16.30	Sectoral policies and indicators in EnC for buildings (Georgia, Moldova, Serbia tbc)
16.30– 16:45	Conclusion on current achievement and perspective of EnC integration for the ODYSSEE-MURE approach (Wolfgang Eichhammer, Fraunhofer ISI)

## 26th November 2024

Meeting place: Am Hof 4, 1010 Vienna (6th floor, conference room 603)

<b>Session 2: Common block EU Member States + EnC (Part 1)</b>	
<b>Chair: Branka Kovačević</b>	
9.00 – 9.45	Energy poverty policies and indicators in the EnC (Iska Brunzema, Fraunhofer ISI & Estelle Payan, Enerdata & EnC)
9.45 – 10.45	Sectoral policies and indicators in EnC for industry (North Macedonia, Albania tbc) and transport (Montenegro tbc)
<b>10.45 – 11.00</b>	<b>Coffee Break</b>
11.00 – 12.00	Roundtable: Policy monitoring under Article 7/8 EED and how ODYSSEE-MURE can interact (Gregor Thenius AEA & Regina Fogel, MEKH & Vesna Bukarica EIHP): <ul style="list-style-type: none"><li>• Experience sharing about setting up a M&amp;V system to monitor the results to be reported to the Commission (AEA, MEKH and EIHP have a direct experience to share about this).</li><li>• Discussion on what additionality would mean in the context of EnC, where the baseline situation is likely different from the one in Member States</li><li>• Discussion about the importance to define a strategy (cf. need to deliver energy savings as early as possible, due to the cumulative nature of the target, but also to maintain, and even grow, impacts over time)</li><li>• Key lessons for ODYSSEE-MURE</li></ul>
<b>Session 3: Common block EU Member States + EnC (Part 2)</b>	
<b>Chair: Nikola Vujosevic</b>	
12.00 – 12.15	Overview of coverage of indicators i.e. key indicators and detailed indicators (Enerdata)
12.15 – 12.30	Overview of coverage of policies including policy impacts of EnC and EU Member States (Lena Kappler, Fraunhofer ISI)
12.30 – 12.40	State of dissemination activities i.e. national seminars, national reports, webinar series, policy briefs, videos in place with EnC (Enerdata / Lena Kappler, Fraunhofer ISI)
12.40 – 12.50	Final seminar in Portugal incl. draft agenda (Didier Bosseboeuf, Ademe)
12.50 – 13.00	Conclusion of the meeting (Energy Community Secretariat)

**End of Project Meeting**
