

A background image of the Earth from space, showing the continents and oceans. Overlaid on the image are numerous glowing blue lines that represent energy or data connections, crisscrossing the globe.

renewable investments in the energy community: boom or bust?

Dirk Buschle, 3rd Energy Community Dispute Resolution Forum 2021

- green deal = decarbonization, for real
- = engaging the EU's neighbours
- = recalibrating all existing policies
- in focus climate justice
- disputes concerning carbon investments
- disputes concerning non-carbon investments
 - investment security
 - right to regulate / avoid overspending

- allocation of support scheme**
- auction design**
- choice of support scheme**
- balancing responsibility**
- state aid enforcement**
- counterparty arrangements**
- electricity market and surcharge design**

the problem

investment surge

oftaker liquidity

design flaws

the mediation

the solution

PPA restructuring

engagement by the state

all's well that ends well?

The background is a dark blue image of the Earth from space, showing the continents. Overlaid on the Earth are numerous glowing blue lines that represent energy or data connections, forming a complex network across the globe.

thank you
