Monitoring report on the compliance with Transparency Regulation (EU) 543/2013

TF3 Electricity, Deliverable 4, WP 2018

Vienna, 27 February 2018
**Scope:**

- Examining the level of implementation of the Contracting Parties in fulfilling their obligations under Regulation (EU) 543/2013
- Analyses the possible reasons for lack of data publication and to provide an outlook on the envisaged time schedule for catching up with existing publication shortcomings
- Improvement trends by comparing the current publication level with results of previous years

*This monitoring shall help the National Regulatory Authorities (NRAs) to enforce implementation of the Regulation.*
Methodology

The results are sorted along the following lines:

- Overall scoring in terms of publication of data pursuant to Regulation (EU) 543/2013;
- Overall scoring in terms of publication of data on ENTSO-E transparency platform
- Comparative performance of publication items by groups:
  • Load
  • Transmission
  • Generation
  • Balancing

Novelty of this year – Information about missing data and TSO plans and timelines when it will be published
Work required by the TF3 & EWG

- Questionnaire amendment
- Data collection and check with NRAs
- Preparation first draft of report
- Collection comments/inputs from EWG and inputs ECRB section
- Preparation final draft of report and submission to ECRB
