Overview

- Treaty reforms
  - reciprocity
  - Role of ACER
- Reminders
- AOB
Creating the basis for a new reciprocity mechanism under the Treaty regime: Adoption of amendments to ECT (especially new Art. 25' and Annex V).

- EU Proposal to the MC for a Decision (provisions listed in new Annex V to the ECT and fulfilling the requirements of new Art. 25'(1) ECT), see new Art. 81’ ECT.
- MC Decision under new Art. 25'(1) ECT defining mutual rights and obligations based on these provisions (EU positive vote required, see amended Art. 81 ECT).

EU assessment: CP sufficiently demonstrating effective implementation and enforcement of its obligations.

- COM Proposal to the Council (EU) to enact mutual rights and obligations defined in the MC Decision.

“Switch on”

- EU Decision to enact, see new Art. 25' (3) and (5) ECT.

“Switch off”

- COM Proposal to the Council (EU) to suspend EU obligations.
- Advance notice to the CP concerned and the Secretariat (except in cases of urgency), see new Art. 25'(4) ECT.
- EU Decision to suspend, see new Art. 25'(4) and (5) ECT.

Specific provisions listed in new Annex V to the ECT shall be binding between CP and the EU.
Role of ACER

- **EU**: Art 43 re-cast ACER Regulation
- **EnC**: Energy Community Treaty clause
A critical review

► [currently] for EL GL and gas SoS only
► How to combine individual switch-on and regional market coupling?
► Decision making in ACER – representation of CP NRAs?

► Timeline
Procedural aspects

**Scope of committees’ work**
- Agree on adapted NC / GL versions ready for proposal for PHLG adoption

**Eligibility**
- EC | ECS | Party
- MC
- MC Decision
- Transposition into national legislation
- 2/3 majority
- Incl positive EU vote
- One vote per CP
Reminders

- Electricity network codes
  - Derogation criteria
  - Workshop 28.11., Vienna
- Infrastructure Regulation
  - Typical investment unit values
AOB

- ACER AA amendment
- Implementation Report
ECRB tasks

- **EL connection codes**
  - Monitor implementation for non-ENTSO-E members (2021 – prepare 2020)
  - Monitor derogations (2021 – prepare 2020)
  - Issue reasoned opinion on revocation of derogations (2021 – prepare 2020)

- **CMP gas**
  - Report on congestion at IPs (June 2020)
Thank you for your attention!
