

The background of the slide is a dark blue map of Europe, overlaid with a complex network of glowing blue lines that represent energy infrastructure or connections. The lines are curved and intersect, creating a sense of a dynamic and interconnected network.

NECP and SEA development – Setting the scene

Peter Pozsgai

24 November 2022, Vienna

The context

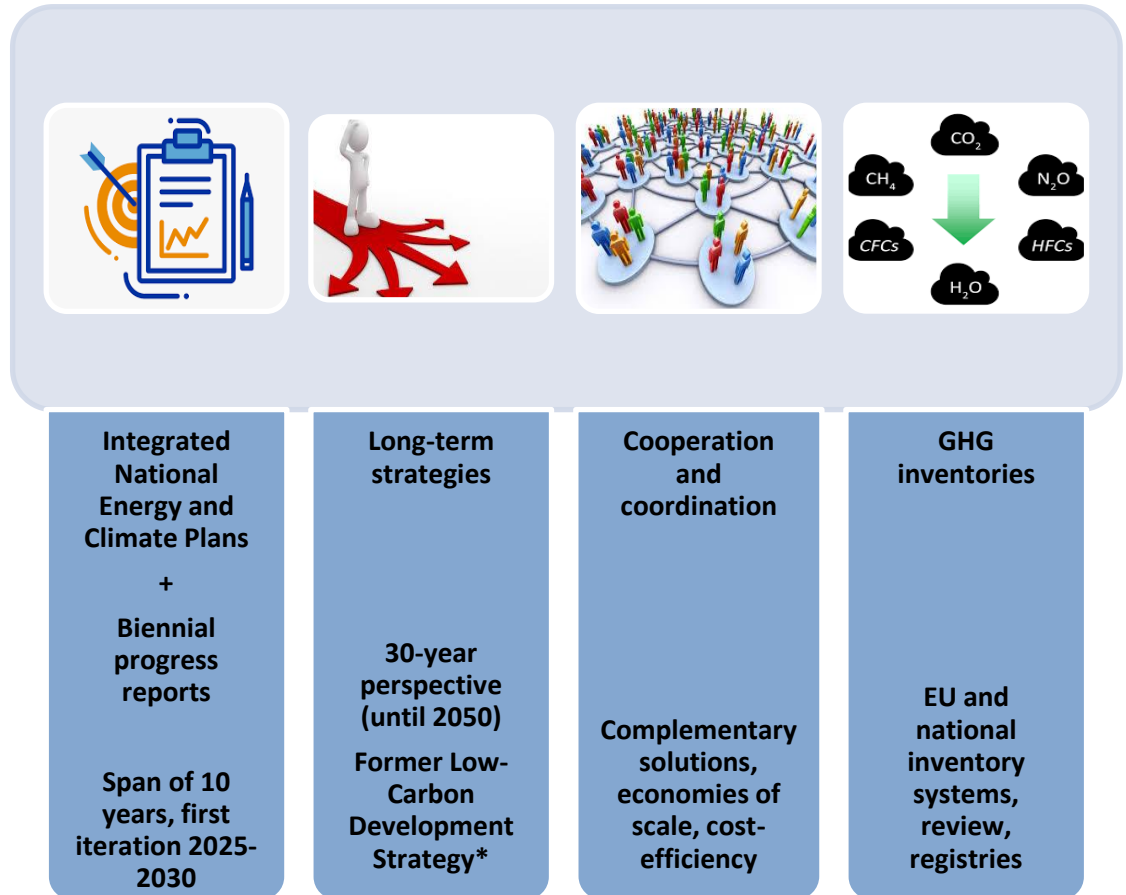

Governance Regulation (Reg. (EU) 2018/1999)

**NECPs are one of
the tools in the Regulation**

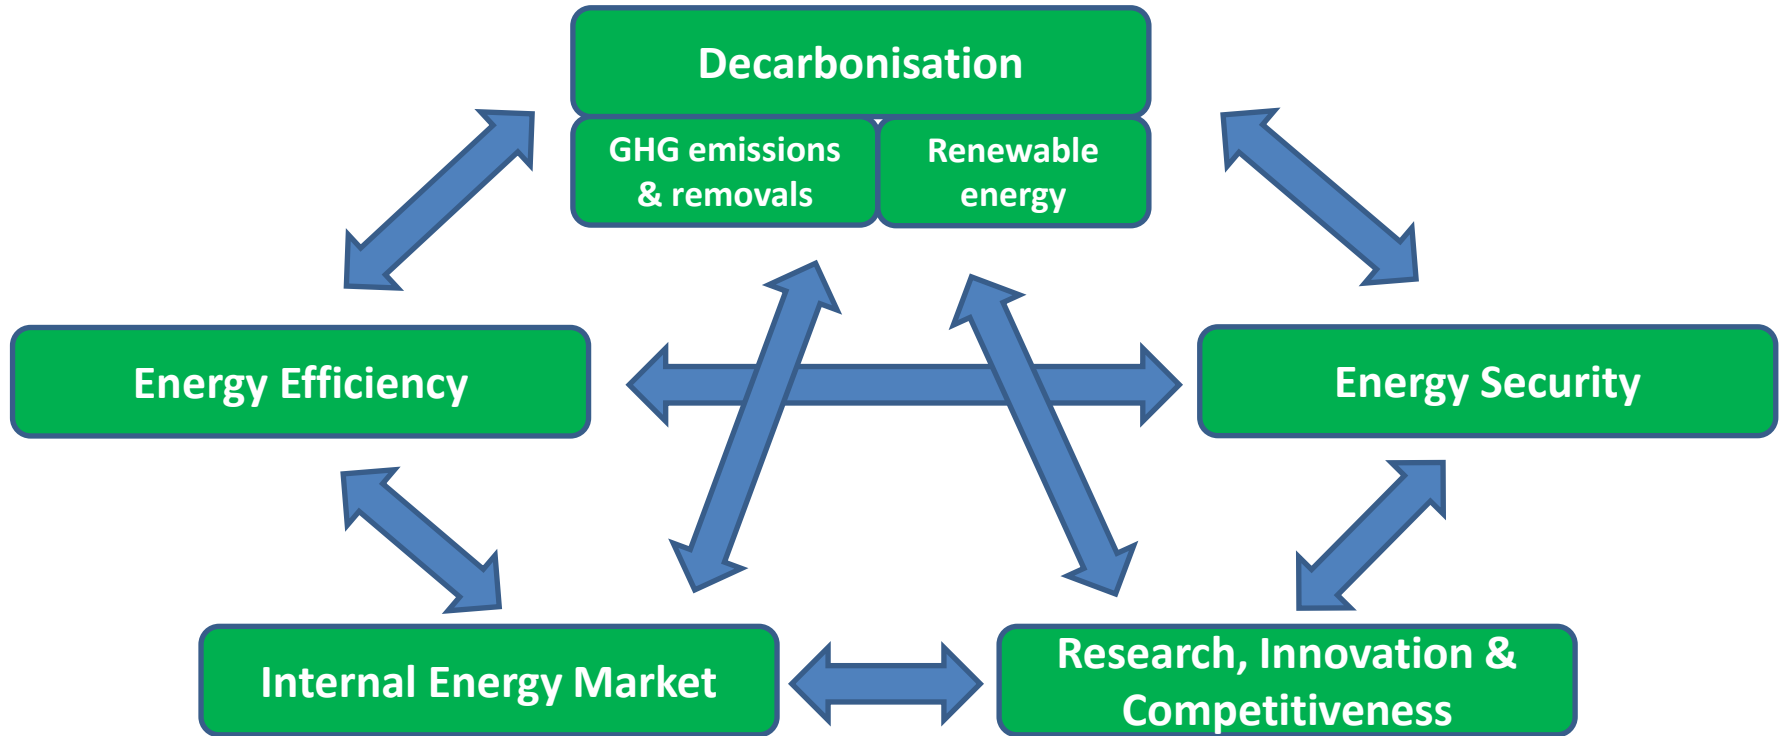

Function:

Central vehicle to design,
implement and govern
the strategies and measures
in energy and climate to reach
2030 targets and beyond

Pool various national strategies,
reduce administrative burden,
provide predictability and stability
for the policy decisions for 10 years

Dimensions of the NECP

The context

NECPs in the (inter)national strategy setting*

Alignment & Coordination

* illustration

NECP structure
