DECISION

OF THE MINISTERIAL COUNCIL OF THE ENERGY COMMUNITY

THE MINISTERIAL COUNCIL OF THE ENERGY COMMUNITY,

Having regard to the Treaty Establishing the Energy Community and in particular Articles 24, 25, 79 and 100(i) and (ii) thereof;

Whereas the Regulation (EU) 2016/1952 sets out the framework for producing comparable European statistics on natural gas and electricity prices,

Whereas the implementations of the obligations for quality reporting are stipulated in the Commission Implementing Regulation (EU) No 2019/803 ensuring observation of technical quality requirements,

Whereas the Permanent High Level Group, at its meeting of [date] proposed to adopt the present Decision,

HAS ADOPTED THIS DECISION:

Article 1

The first quality reports shall cover the reference years from 2019 to 2021.

Article 2

The text of the act referred to in Article 1 shall be adapted to the Energy Community in a way that the term 'Member States' in the text of the act referred to in Article 1 shall be replaced by
'Contracting Parties' and references to EU law shall be replaced by references to the equivalent provisions under the Energy Community Treaty, if any, or shall not be applicable, as appropriate.

Article 3

This Decision enters into force on the day of its adoption and is addressed to the Contracting Parties.
