| Article 1  
Subject matter and scope                       | X                                                                        |                       |                                       |
| Article 2  
Definitions                                    | X                                                                        |                       |                                       |
| Article 3  
Notification of data                             | X                                                                        |                       |                                       |
| Article 4  
Data sources                                   | X                                                                        |                       |                                       |
| Article 5  
Content of the notification                       | X                                                                        |                       |                                       |
| Article 6  
Quality and publicity of data                     | X                                                                        |                       |                                       |
| Article 7  
Implementing provisions                           | X                                                                        |                       |                                       |
| Article 8  
Data processing                                | X                                                                        |                       |                                       |
| Article 9  
Protection of individuals with regards to the processing of data | X(?)          |                       | X (?) To be discussed                 |
| Article 10 
Monitoring and reporting                       | X                                                                        |                       |                                       |
| Article 11 
Review                                       | X                                                                        |                       |                                       |
| Article 12 
Repeal                                       | X                                                                        |                       |                                       |
| Article 13 
Entry into force                              | X                                                                        |                       |                                       |
| ANNEX Investment Projects                           | X                                                                        |                       |                                       |
