What to consider regarding the successive NDCs

- Each Party to **prepare, communicate and maintain** successive NDCs that they intend to achieve
- Each Party’s successive NDC will represent a **progression** beyond the Party’s then current NDC
- Each Party’s successive NDC will reflect its **highest possible ambition**, reflecting its CBDR&RC, in the light of different national circumstances
- **Guidance on ICTU and guidance on accounting shall be applied** for the second and subsequent NDCs
- Each Party’s successive NDC shall be **informed by the outcome of the GST**
