- 1. Welcome by Inna Sovsun, Chair of Subcommittee on European Integration and Member of the Committee on Energy, Housing and Utilities Services of Verkhovna Rada of Ukraine, Energy Community Parliamentary Plenum Presidency 2022**
- 2. Statement by Mr Morten Petersen, Vice-Chair, Committee on Industry, Research and Energy (ITRE), European Parliament**
- 3. Statement by Mr Artur Lorkowski, Director, Energy Community Secretariat**

#### **4. Exchange of views on energy prices and security of supply**

---

The exchange of views will serve to discuss the situation in the energy sector in the context of the ongoing war in Ukraine, serious concerns about security of energy supply and the unprecedented rise in energy prices. A dialogue between legislators is necessary to ensure Europe's security of supply, create markets conducive to energy from renewable sources and ensure energy affordability to vulnerable households. The session will explore joint actions to ensure more affordable, secure and sustainable energy for European citizens.

- 5. Closing remarks by Mr Jerzy Buzek, ITRE, European Parliament, Mr Lorkowski and Ms Sovsun**
