

**TALANOA DIALOGUE**  
 FOR CLIMATE AMBITION

# STEPPING UP ENERGY AND CLIMATE ACTION

---

**Location:** Energy Community Secretariat, Am Hof 4, Vienna (Austria) – Meeting room 6<sup>th</sup> floor

**Time:** Wednesday, 10 October 2018, 10.00 – 16.15

Welcome remarks and adoption of the agenda	10.00-10.15	Janez Kopac, Director, Energy Community Secretariat
--	-------------	---

**1. Where are we? - Chaired by Mykola Kuzio, Deputy Minister for European Integration, Ukraine**

---

- What are the main sources of emissions and their current and future trends?
- Where are Contracting Parties standing with the revision and implementation of NDCs?
- Which are the main milestones and challenges ahead of COP24?

EU perspective	10.15-10.30	Elina Bardram, Head of Unit International and Inter-institutional Relations, DG CLIMA
NDCs implementation	10.30-10.45	Agnes Keleman, Director, Klimapolitika
Discussion	10.45-11.30	Contracting Parties and Observers Donors, civil society, business

**2. Where do we want to go? – Chaired by Connie Hedegaard, Chair of the Board, KR Foundation**

- What do we want to achieve with the development of integrated National Energy and Climate Plans (NECPs) up to 2030?
- Why NECPs up to 2030 should be accompanied by targets for renewables, energy efficiency and GHG emission reduction?
- How can we increase the ambition of the plans in the long-term (2050)?

EU perspective	11.45-12.00	Elina Bardram, Head of Unit International and Inter-institutional Relations, DG CLIMA
	12.00-12.15	Christopher Lampert, Austrian Federal Ministry for Sustainability and Tourism
NECPs up to 2030	12.15-12.30	Ruben Kubiak, International policy officer, DG ENER
	12.30-12.40	Irina Lazzerini, Sustainable Energy Expert, Energy Community Secretariat
IRENA's perspective	12.40 -12.50	Ricardo Gorini, Senior Programme Officer, Remap, IRENA Innovation and Technology Centre
Discussion	12.50-13.30	Contracting Parties and Observers Donors, civil society, business

### 3. How do we get there? – Chaired by Jozsef Feiler, Senior Associate for South East Europe, European Climate Foundation

- Which policies, regulations and technologies could already be deployed cost-effectively for the decarbonization of the Energy Community region?
- Where are new opportunities arising?
- What's the role of national governments, donor community and non-state actors?

Cost-effective GHG mitigation	14.30-14.45	Monique Voogt, Cofounder, SQ Consult
Renewables and Just Transition	14.45-15.00	Maja Turkovic, Cofounder, Association for Sustainable Development
EBRD's perspective	15.00-15.15	Nigel Jollands, Associate Director, Energy Efficiency and Climate Change, EBRD
Discussion	15.15-15.45	Contracting Parties and Observers Donors, civil society, business

*Coffee/tea break*

15.45-16.00

### 4. Conclusions

Summary: main messages	16.00-16.15	Co-Chairs
Follow-up actions & AoB		Energy Community Secretariat
